

The diagram shows a vertical rectangular shape representing a feather flag. The top edge is curved. Three lines are drawn across the top: a purple line, a black line, and a red dotted line. The purple line is the highest, followed by the black line, and then the red dotted line. The red dotted line is the lowest and is the only one that is dashed. The rest of the flag is empty.

4.5m FEATHER FLAG

ARTWORK INSTRUCTIONS

Your artwork should fill the entire flag up to the purple line

The black line is the finished edge of your flag

Please keep important elements within the red dotted line as this is the safe area

When happy delete all design guide elements
